
Burning Paper Logo After Effects Template (motion Array) Rarl

Laser Burn Logo template is a stunning After Effects template with a powerful laser that cuts and shows your logo in style. This template contains 1 logo. It is great for advertising, business, education, business, etc. The template looks great on a white background and has two color options that can be selected using the color editor. It also contains three different templates: plain, transparent and light. The template has several preset effects that you can use to create laser effects. And finally, there is an option to edit the start time of the video so you can create your own animations.
