Document Creation Tool WPF. Hi All, I have been searching for some help and after seeing, I'm using (and pretty. When I try to run it, I get this error, which is NOT fixed with this. How can I help. Unable to create document. Friday, July 12, 2006 I am just waiting to get back to my scrapbooking....and I'm waiting for Meri to get back from her trip and tell me about her trip. I am so excited for her....she has an amazon.com gift for me for the trip....wow, what a deal....and I can't wait to see what she got me. The reason I am posting is because Thursday, I was asked to be on a panel for the CHA and was asked to help describe my products and selling techniques and also about how to start up your own business. I was really honored because this is the first time that I had ever been asked to be a part of a panel....I will share it with all of you and, if you live in the northern part of the US, let me know when you are coming to CHA and I will meet you with a smile. 8 comments: Great job with the class set up! That's so cool that you are being asked to speak on a panel. I would love to be on one of those but don't think I would ever be asked to speak, lol. Congrats on being asked to speak on the panel! I have a weakness for chocolate and caramel..but what would you suggest for me, I am not a baker?!? I am so jealous of your trip! Meri sure does have great taste, huh! I am jealous of her gift! I can't wait to hear about the trip and see the goodies that she will bring back. Send me email updates about messages I've received on the site and the latest news from The CafeMom Team.
