ChuLin is a simple schoolmaster without any special skill or qualifications. The snow and ice of winter have descended on the village's remote mountain towns. The peak of winter's cold weather has just ended, but the small town of ChuLin is still in a shivering state. All the villagers are still depressed and confused, and everyone is looking for an opportunity to recover their mood. A mysterious death takes place in the scenic landscape. ChuLin is assigned to investigate the crime. Why did this criminal get caught? Who's behind this? Is this murder a premeditated crime, a power struggle, or just an ordinary hit and run? The spirit of investigation is in the heart of every detective, but ChuLin has no special skills to help him on the case. Time is running out, and the trail is unclear. Every step of the investigation will lead him to a violent confrontation! Game mode: the traditional RPG game mode. Collect clues by exploring the map and finds out the truth through the flow of reasoning. Synopsis; ChuLin is a simple schoolmaster without any special skill or qualifications. What's new in The Detective ChuLin:

Te refused to give up the human spirit even on the verge of death, and he has sacrificed himself to complete the uncovering of the conspiracy and his favorite hobby. His assailant, FangEren, is using him as a bait, hoping to entrap the protagonist Tsumugi, wife of a general in the corrupted imperial court to further accelerate the conspiracy. Despite the fact that the protagonist and the protagonist’s husband and their residence all lie in the final corner of the conspirator’s territory, it also lies outside their jurisdiction, so the protagonist has no contact with the domestic life of the Te family. After having been constantly pestered by ChuLin Te, wishing he could properly say goodbye, the protagonist became weary of the bastard detective, and she knocks the bastard detective’s face headfirst. The patriarchal society Imperial court life [After the incident of the General’s Death, he had no strong conviction in farming death] [After the incident of the General’s Death] “The reader is warned that the below annotations concerning linguistics comes with brackets (~¥æ~¥) placed over it, [meaning the current speaker’s opinion]. {(~¥æ~¥ Here is the spoken version; sorry for the translation being a little rough, I shall modify it from now on of course).}” — “The Metaphoratic Born Rhythm (Fu-ri)” “In the name of the Imperial Court, the one
