this is the only olga set i have. i dont know if she ever completed it though. i have her w006, which i have only 2 pics of - one of her in her youth & one of her as an adult. i do not have any others. she's got a hair style similar to the 18&19 sets. this set's model name is barbara. i have set 3 of her (3-6), which are the only ones she ever completed.i'm sure there were more, but they have eluded me. i have set 7 of her in the white outfit. sets are: 7-10,13-16&18-20. sets are all from the same day in may7,2002, and start with a w002 set.anonymous15/10/11(sun)13:17file:- (175.32kb, 1600x1200, dscf0038.jpg)there's a good reason why i can only find a couple of pics of w006. its because i only have 2 pics of her. i got the other pics from a friend. i have some yulya pics, but she's been replaced with katya since then. i have 3 more of her - set 7-10,13-16&18-20. i think her hair is similar to set1.1, but i can't be sureanonymous15/10/11(sun)13:31file:- (177.13kb, 1200x1600, p9320147.jpg)more of her.1, but i can't be sure. i'm not sure why i have so many set 1's (there are 16) but there are some pics in this post. these are the only 3 pics i have of w019 olya. sets are: 1-3,5-7,9-11&13. sets are all from oct24,2002, and start with a w002 set. it was for a custom photoshoot.anonymous15/10/11(sun)16:16file:- (126.85kb, 1200x1600, p9600118.jpg)there's a good reason why i can only find a couple of pics of w006. its because i only have 2 pics of her. i got the other pics from a friend. i have some yulya pics, but she's been replaced with katya since then. i have 3 more of her - set 7-10,13-16&18-20. sets are all from the same day in may7,2002, and start with a w002 set. i think her hair is similar to set1.1, but i can't be sure.anonymous15/10/11(sun)16:21file:- (121.99kb, 1600x1200, p9130168.jpg)here's the other 3 picsanonymous15/10/11(sun)16:48file:- (124.35kb, 1200x1600, p7200175.
