Max Payne 2: The Fall of Max Payne is, so to speak, a "classic" implementation of the action movie, made in the action genre with a third-person view. The action takes place in New York, where, in addition to the militants, there are both the police and the army (along with the Russians). You are Max Payne, who, unlike the others, only works with a revolver. Once again, he must save his family from the arbitrariness of the authorities, and also avenge the death of his partner. The game is a stealth action game that feels like a mixture of two games: " 0946cee1be
